

XCI 200

SPECIFICATIONS:

Package	: 0603(1608) Inductor
Loader	: Bowl Feeder
Contact Method	: Contact Plane
Interface	: GPIB
Output	: 5 tanks
Tester	: AGILENT (4287A)
UPH	: 36000-48000
Air	: 5 -7 kg/cm ²

DIMENSIONS:

115 x 70 x 210cm (LxWxH)

WEIGHT:

180kg

FEATURES :

- Simplicity
- Reliable
- Easy to maintain
- Ease of operation
- Auto-Loader
- One of the most cost effective handler in the industry
- There are five bins which can be set.
- Multiple language operation interface
- Troubleshooting is easy with LCD panel displaying problem area
- Ergonomic Design with LCD Panel within comfortable visual range
- High accuracy test (100MHz~1GHz and inductor<10nH, the loss <0.03nH).
